

HEPATITIS A

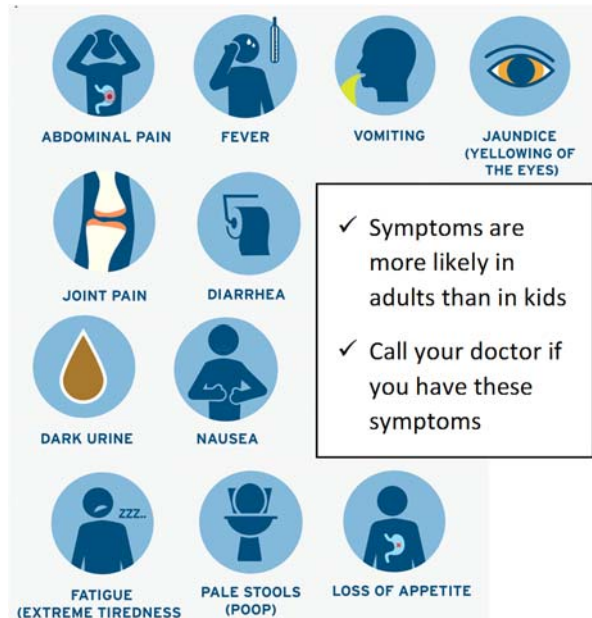

Highly contagious. Highly preventable.

Who's at Risk?

- ✓ Use drugs (IV, non-IV)
- ✓ Homeless or in transient housing
- ✓ Men who have sex with men (MSM), gay, bisexual
- ✓ Recently in jail or prison
- ✓ Have close contact with someone who is infected

Am I Sick?

What Do I Do?

- ❖ Get **Vaccinated**. It's the best protection and **FREE!**
- ❖ **Wash hands** with soap & warm water after using the **bathroom**, changing a **diaper**, or before making **food**.
