Publix to Open COVID-19 Vaccination Sites

On January 5, 2021, Governor Ron DeSantis announced that the Florida Division of Emergency Management (FDEM) and Florida Department of Health (FDOH) have partnered with Publix Supermarkets to establish COVID-19 vaccination sites.

Through a partnership with FDEM and FDOH, Publix is receiving 15,000 doses of the Moderna COVID-19 vaccine to launch a new pilot program at select Publix Supermarkets, beginning Friday, January 8. Appointments can be made beginning Thursday, January 7.

All vaccinations by Publix at their select locations will be by appointment only. Beginning Thursday, January 7, qualified individuals can make an appointment by visiting www.publix.com/covidvaccine.

The pilot locations will be open in three counties: Citrus County, Hernando County, and Marion County.
